

## WYNIT Direct Market Reseller

As one of the largest wholesale distributors in the United States, WYNIT Direct Market Reseller (DMR) delivers a one-of-a-kind experience to its customers by providing expert advice, customized solutions and world-class distribution capabilities.

## Category Expertise

Headquartered in Greenville, South Carolina, WYNIT's team is comprised of category experts who provide services to businesses, government, healthcare, and education verticals. We have products ranging from wide-format printers, document cameras and projectors, wearables, memory cards and graphic design tablets.

## Solutions and Services

WYNIT understands your need to get back to your customers quickly, therefore we pride ourselves in prompt customer service. We will respond in a quick fashion whether it's a product question, bid opportunity, a price quote or an ETA so you can service your customers efficiently and effectively. Our professionals share your passion for this business, and understand that the products you provide to your customers represent your commitment to bringing them the best in the industry.
